Other Business:

- Melanie presented a written request for an increase in her salary for the registrar position based on the increased amount of time being spent by the registrar with more elections and more time spent on petitions and more time spent on absentee ballots. The Selectmen told Carol to ask her to submit the request in January when they are doing the budget for 2018 because they did not budget it for this year. They were unaware the Registrar was paid a separate salary from the Clerk and assumed that when she raised her Clerk's salary in her bid, she was raising because of registrar's additional work.
- Melanie asked the Selectmen if it would be ok to plant some Hosta in front of the Town office and tulips on the inside of the fence. They said ok. Deb has planted some flowers in front of the grist wheel and on the corner near the walkway.
- Tom Garrepy said he is working on a deal to sell the Kodiak. Marc said to leave the insurance in place for now.

Adjournment:

At 7:30 pm Michelle made a motion to adjourn, Marc seconded and the meeting adjourned.
