- Sagadahoc County Meeting and agenda for meeting on March 13, 2018
- Notice of Xfinity TV changes effective May 9, 2018

Other Business:

- Dennis Douglass who is currently serving as Code Enforcement Officer and Licensed Plumbing Inspector for the Town of Lisbon came in to apply for the position being vacated by Ryan Leighton. The Selectmen discussed the hours and requirements for the job which Dennis agreed to, Dennis will start on Monday, the 19th. Ryan will come in to show him where things are the first day. Carol will redo the Job Description and contract for Monday also.
- Dana Morgan brought in information he gathered about the Huff's Mill Rd disputing the public right of way through his family's property. Dana contends one of the responses from MMA confirms he is correct saying the right of way is invalid due to an earlier discontinuance. The Selectmen reviewed the MMA response again and Marc said there were several questions asked and answered in the letter from MMA. There is no way you can choose a response to only one of the questions and ignore everything else. It is a complicated issue though the Selectman believe the purpose of the warrant article at the 1975 Town Meeting was to make sure the public right of way was preserved on Huff's Mill Road along with many other Roads that were previously discontinued. MMA also advised the Selectman their services are not for individuals in Towns and to recommend the resident seek their own legal representation if they feel the right of way is invalid. The Selectman advised Dana based on the MMA recommendation.

Adjourned: At 7:25 pm Deborah made a motion to adjourn, Marc seconded and the meeting adjourned.
