- Planning Board Minutes for August 28, 2018
- A year-to-date financial report from Lisbon Emergency
- A request from Axiom for a final payment of \$4000.00.
- A final Report from Axiom with a technology plan indicating potential costs, the feasibility of potential government grants, and avenues that we may consider for getting broadband into all areas of Bowdoin.

**Other Business:**

- JR Card came in to tell the Selectmen he will be doing the grading at the old school on the Town lot this coming weekend. This will enable the Historical Preservation Committee to have steps built for the building as requested by MMA Loss Control.
- JR also said he will be unable to get together with the electrician to put electricity down at the Recycling center this week, but he will plan to do it next week.
- Carol spoke with John Lambert about repairs needed at the Historical Society building and told him of an avenue for getting volunteers to help with the work for building the steps for the School building.
- Carol called Jim Small to check out the stress fracture along both the interior and exterior of the left wall at the Salt Shed. He will also do the repair to the basement railing on the left side going into the basement at the Town Office.

- Richard Bates, electrician will check out and make necessary repairs to the electrical outlets in the Salt Shed. He will also check the outlets at the Fire Department at the request of Tom Garrepy, Fire Chief.
- Michaeline Mulvey brought in a tree growth plan which needed to be signed by the Selectmen for property she recently purchased.

**Adjournment:** At 7:17 PM Michelle made a motion to adjourn, Deb seconded, the vote was unanimous and the meeting adjourned.
