- The Selectmen and Jr Card discussed the handling of the situation at the corner of Millay Rd and Augusta Rd after Tom said the house was not a house the fire dept could use for training. Jr. said he would ask someone to come down and give us an estimate of what it will cost the Town to take it down. The property is in Tax Acquired and owned by the Town. The former owners have not responded to any letters, and the place is a hazard.
- Michaeline said Marie has given her notice to resign from her position as Planning Board Secretary, she will work until someone gets started. Carol will check listings on line.
- Michaeline asked the Selectmen if they have checked the recent corrections on the newest Tax Maps.

- The Selectmen and staff went into the basement to look at things to dispose of. Carol will get a list showing how long certain records must be kept and when they may legally be disposed of.
