The meeting opened at 6:30 PM with the Pledge of Allegiance.

Selectmen reviewed and signed and/or initialed the following:

Gary Snyder was in to the meeting to advise them there have been more break-ins at the recycling center. Measures are being taken to deal with this problem.

Gary has advised the Selectmen that we need to call someone to take the electronics away from the recycling center so we can put the trailer back in the recycling center.

Gary has someone to run the center for a couple days in his absence.

Regarding the ongoing issues with Skelton Road the Selectmen are still looking into what can be done but have reason to believe there is little that could be done legally to protect the town against further action.

The Selectmen will be demolishing the abandoned house on the corner of Millay Road and Rt 201. Clyde is checking on what we need.

Selectmen are looking into action to take against junk yards in Town as several community members have addressed.

Carol notified Marc that she and Susan have moved some 60 boxes into the open cellar to be demolished. Carol relayed the message to Melanie that if she will notify Marc and his brother before the next or second next Friday, and get her grandson to help out they will move the stuff out.

Adjournment: Marc made motion, Deb seconded, motion was accepted and meeting adjourned.
