**Talked with Road Commissioner (Jr.) regarding the Roofing job on the Salt Shed in about 2 weeks taking place. The pricker bushes on the sides of the salt building are an issue. The Contractor contacted Deb to ask if the bushes could be cut back, there wasn't room enough for the workers to get in and up on building without getting stabbed by the prickers. Jr. will have his crew cut down the bushes before the job starts.**

**The Fire Chief, Tom told the Selectman about the UTV that the Fire Department is buying with funds from the Ladies Volunteer Fire Department Auxiliary. The UTV with tracks for wintertime are for rescuing incidents in the woods for the snowmobiling season and the ATV season. Currently, they do not have any source of rescuing people unless using their personal trucks and that doesn't always work well. He anticipates the UTV costing approximately \$30,000.**
