Other Business:

- **Marc stated he did not receive a call back from Lance Skelton so Melanie will ask Karan to see if Jason Stark will come and do an estimate on replacing the door and window in the recycling building.**
- **Michaeline Mulvey was in to see if the board had any questions regarding the email and proposed addition to the affordable accessory unit law she sent. The Board would like to send this proposal change to the Town Attorney to make sure it conforms to the law that is going into effect July 1, 2023. (the law requires an ordinance to be enacted). We will need to hold a Public hearing on this matter and for the ATV access routes.
Due to the construction in the Town office, Michaeline will move the next 3 Planning board meeting to Bowdoin Central school.**
- **The Board discussed Clyde's job and Deborah said she would do the General Assistance work. We will need to find someone to do E-911 and Assessor work.**

Adjournment at 7:40PM. Marc Bernier made a motion to adjourn, Brad Totten second, all in favor.
