Other Business:

- The Select Board received a letter from Ron Dall stating that his well is polluted and the brook behind his house. He also sent a letter to Dennis Douglass the Codes Enforcement officer and requested that something be done about it. The Select Board will ask Dennis to handle this matter.
- Clean-up day is this Saturday. Marc will call Grimmels to make sure they are bringing the dumpsters. Jr. Card will need to move the rocks and put a couple loads of gravel to fill the potholes.
- David Manfredi updated the Select Board on the information he received for getting a bond. We will need a special Town meeting. He will find out the interest rate for next week.
- The Board discussed having the trees on the west side of the parking lot cut so there is more room to put the snow. Also, they will have some leaning trees along Cornish drive cut, some small brush on the east side of the stonewall and have some stumps on the existing lawn ground. **Marc made the motion to have it done, David second and all in favor.**
- Have Melanie call Jr.'s Glass to put weather stripping on the front inside doors. Brad will contact the Town lawyer about getting in touch with the contractor about some existing issues.

Adjournment at 7:55 PM. David made a motion to adjourn, Brad second, all in favor.
