Other Business:

- Jr. Card gave the Select Board the bills for winter salt that was delivered yesterday and today. The amount delivered was 295.91 tons. Jr. stated that one of the drivers had either not closed his tailgate completely or hit the open switch spilling salt on the roadway by Roy's Tire and on Cornish Dr. After unloading the same driver did not put his dump body all the way down and took down the power line. CMP quickly came and put the power line back up.
- Tom Garrepy informed the Select Board that the 60-day paperwork for the FEMA funds has to be signed tomorrow by either Tom or Kim (from FEMA).
- Michaeline Mulvey was in to inform the Board that names on the website had not been removed/replaced. Michaeline will look into getting the Shoreland Zoning map from the State for the 2015 update.

Adjournment at 7:35 PM. Brad made a motion to adjourn, David second.
