- Melanie informed the Board that the Presidential Primary and the Town Meeting were posted on the web page and at 3 public places in town. The Town meeting was sent to the Lewiston daily sun and the Times Record to be published on March 5<sup>th</sup> and March 8<sup>th</sup>.
- Board discussion:
  1. Marc will attend the Ambulance Emergency Services meeting next Wednesday.
  2. Brad and David will attend the MSAD#75 finance committee meeting next Wednesday.
  3. It was brought to Brad's attention that the School Board committee is looking to change the method of selecting the School Board Chair and the Chair of the finance committee. Currently it is rotated among the Towns so that every Town has equal representation. The School Board wants to change that to electing those 2 positions. This select Board felt that the Towns people need to be aware of this proposed change.
  4. The School board voted to apply for a grant for electric busses.
  5. Casella Waste notified the Town that the recycling containers we use need some work done on them to make them road worthy. The Board will contact them and get an estimate for the cost to refurbish them.

- Jr. Card stated that he posted the roads yesterday to be affective February 27<sup>th</sup>.

***Adjournment at 7:10 PM. Marc made a motion to adjourn, David second, all in favor.***
