He has also notified the State.
- **Tom Garrepy** -stated that West Burrough Rd culvert was completed. They are all suppose to be in tree growth. Ron made an appointment with Ed Hodgins (assessor) to correct this.
- **John Pride-** came in to discuss with the Board an ongoing issue on the Skelton road regarding snow plowing. He also stated that the road has not been graded in 12 years while the Stoddard pond road,

Wagg road and the Hyde road have all been graded, usually once a year. He would like something done about the situation.

- **Brandt McCollett-** wants to know if the Town is trying to shut down all recreational vehicle on the discontinued roads. The Board stated no they were not, but several roads are in question and the Town now has hired an attorney and the Board will be presenting this issue to him. Brandt stated he is more concerned with the access for snowmobiles.
