Wendall Card Jr gave the Select Board a copy of the Quarry packet for DEP (which they requested at last week's meeting) dated 10-01-2019. Wendall has filed for an extension to the Quarry. He explained that an inspector from Maine State DEP walks the whole perimeter of the property to check for any water runoff and to verify the extension of the Quarry is compliant with DEP rules.

Wendall stated there are 2 or 3 culverts on East Burrough Road that should be replaced for next year. The Board informed Wendall that Seth was getting estimates from contractors to replace the culverts that needed to be replaced on the Roberts Road.

The Board is still gathering information for Daniel Mitschele of Roberts Road. Mr. Mitschele presented several questions to the Board via e-mail regarding Roberts Road and the Quarry on it.

The Trek Across Maine will be riding through Bowdoin on Friday June 19th.

Jane discussed with the Board that she would like to have the treasurer investigate electronic checks.

MWE Annual Meeting will be on June 23rd and Jane will attend. Lisbon EMS meeting to discuss the budget will be on June 18th and Marc will attend.

Brad went to Wagg Road to confirm where the end of the Town maintained portion is. There was a request last week from Scott and Nichole Deschaine to split their lot, but they do not have frontage on the Town maintained portion of Wagg Road. Details are in the previous week's minutes.
