**Wendall Card Jr. informed the Board that he and another contractor would be replacing culverts on Roberts Road this coming weekend. The Road will have delays and temporary closures.**

**Tom Garrepy (EMA Director) stated he is concerned with Dead River Road bridge during the closure and detour of Route 125/Main St. The bridge appears to be sinking more. Tom will add it to the Hazardous Mitigation Plan. The bridge is not the Towns' responsibility but the State of Maine DOT.**

**Tamara Orthman asked what the plan was for emergency services during the closure. The Board stated that Bowdoin Fire Department and Lisbon Emergency will cover all calls on the west side of the bridge and Bowdoinham Fire Department and Topsham Emergency (along with Tom Garrepy and Greg West) will cover all calls on the East side of the bridge.**

**Samuel Hamid was also concerned about the Road closure, but his questions were answered by the Board. He feels the Town should advocate for a 4-way stop signs at Meadow Rd/Main St/Litchfield Rd. The Board explained that it is a MDOT decision. Samuel could call the Sagadahoc Sheriffs Department to complain about the number of accidents due to speeding.**
